BEFORE

GOOD LOOKS MEET HIGH PERFORMANCE

Gerflor's wall protection systems create beautiful finishes that are easy to maintain and work effortlessly to optimise hygiene and protect built assets.

SAVES TIME AND MONEY

Easy and quick to install with minimal disruption to a busy facility.

HEAVY DUTY IMPACT RESISTANCE

The Gerflor suite of wall protection systems has been tested in real operating conditions with weights that correspond to typical trolleys and impact speeds.

DESIGNED TO ENHANCE

An extensive palette of colours and designs add to the aesthetics while protecting assets and minimising maintenance.

MINIMAL MAINTENANCE

Gerflor wall vinyl protective systems reduce maintenance and cleaning regimes and associated costs.

EXTEND THE LIFE OF BUILT ASSETS

Built asset maintenance, repair and painting costs are all reduced by installing Gerflor wall protection systems.
