Dear Lionel and all the team at Gerflor,

As the dust has now settled after the most extraordinary summer that any of us have witnessed, I wanted to take this opportunity to send my personal thanks for your invaluable contribution to the Olympic Games by supplying all the Volleyball and Handball surfaces as well as the Sitting Volleyball surfaces for the Paralympic Games.

Over the past seven years, we put the athletes at the heart of everything that we did and this, of course, included providing them with the very best possible sports equipment and services – your equipment and services.

Having witnessed your contribution first hand and also heard the excellent feedback from my own teams, I am truly delighted at how successful our partnership has been. I hope and trust it was as rewarding for you and your team as it was for us.

I wish you and all at Gerflor good luck for the future and thank you once again for your outstanding contribution to the London 2012 Olympic and Paralympic Games.

With best wishes,
