# Decoprint

The perfect combination  
to decorate, customize  
& protect your interior.

**SPM, a Gerflor Group Company,** develops for over 35 years innovative, decorative and eco-responsible solutions to protect, valorize and sustain your establishments.

Developed with **ours partners, architects and colourists,** SPM products combine resistance, ergonomics and design.

Mindful of your expectations and precursor in the universe of the customized wall protection, with the **digital printing,** SPM developed a solution which enables you to bring a pleasant and design living environment indoors: Decoprint.

**More than a panel which protects your walls, Decoprint combines your inspiration and aesthetic ideal to your compelling need to preserve your interior.**

Decoprint enhances your walls, your doors, and offers a touch of elegance in your establishment. Decoprint comes to infinity in any living space.

**Let your creativity flow, we realize your custom-made project.**

#### TECHNICAL INFORMATION

**Select the size** of your panel (H: 1.20 m maximum / L: 2.90 m maximum) and its thickness (1 or 2 mm).

For a high-quality printing of your Decoprint projects, SPM recommends the image platforms **Shutterstock and Adobe Stock**.

Select your image and send it to us as a **JPEG file HD 300 dpi minimum**. We proceed to the **assembly** of your model, to the **printing** and to the **delivery** of your customized panel. Images available on request – Please contact us.

PS : The images or photos to be reproduced, provided by the user in accordance with the SPM requested specifications, must be **free of copyright**. If they are not, the reproduction rights are payable by the user who has full responsibility.
